Ivashenko A.V. Researches of biodiesel fuel's composition drops dispersion / A.V. Ivashenko, V.N. Goryachkin //

Internal combustion engines. – 2011. – № 2. – P. 41-46.

A method and results of experimental research in dispersion of biodiesel fuel is resulted, and also mixtures of biodiesel fuel with oil. Dependence of change in size of appearing drops is got on composition of fuel mixture. Table. 1.
