

Section	Section Description	Secretary	Position	Telephone	E-mail
1	Information and Information Management Systems	Liutenko, Iryna Viktorivna	Senior Teacher of the Department for "Program Engineering and Management Information Technologies	0683422448 707-64-74	LIV@kpi.kharkov.ua
2	Mathematical Simulation in Mechanics and Control Systems	Gryshchenko, Volodymyr Mykolayovych	Associate Professor of the Department for "Machine Dynamics and Strength"	707-63-43 28-79	GriVN_DMM@ukr.net
3	Technology and Computer-Aided Design in Mechanical Engineering	Turchin, Olga Volodymyrivna	Postgraduate student of the Department for Lifting and Shifting Machines	0975988007 707-65-82 343-45-25	feathven@mail.ru
4	Fundamental and Applied Problems of the Transport Engineering	Vorontsov, Sergiy Mykolayovych	Associate Professor of the Department for "Wheeled and Caterpillar Machines"	707-63-55 0506352510	snvorontsov@gmail.com
5	Simulation of Working Processes in the Heat Equipment, Process and Power Engineering Equipment and Energy-Saving Problems	Pavlova, Viktoria Gennadiivna	A scientist of the Department for "Heat Engineering and Power Efficient Technologies"	707-69-23 65-25-59 0674994736	Paviktory@mail.ru
6	New Materials and Technologies for the Metal Hot Working	Glushchenko, Maria Oleksandrivna	Postgraduate student of the "Material Science" Department	707-64-35 0665166445	Microcad 16@gmail.com
7	Computer Technologies in Physical and Engineering Research	Fatianova, Nonna Borysivna	Associate Professor of the Department for "General and Experimental Physics"	707-63-47 0508243177 752-22-42	nonnafant@gmail.com
8	Microprocessor Technology in Automation and Instrument Making	Grygorenko, Igor Volodymyrovych	PhD in Engineering Sciences, Associate Professor of the Department for "Information Measurement Technology and Systems"	707-62-66 0506427502	Grigmaestro@gmail.com
9	Electromechanical and Electrical Energy Conversion	Markov, Vladyslav Sergiyovych	Associate Professor of the Department for "General Electrical Engineering	707-64-27 707-68-16 0958840350	Markov@kpi.kharkov.ua

10	State-of-the-Art Information and Energy-Saving Technologies in Power Engineering	Shutenko, Oleg Volodymyrovych	PhD in Engineering Sciences, Associate Professor of the Department for “Electric Power Transmission”	707-66-43 0671228021	oleg-shutenko@rambler.ru
11	Solution of the Polyvariant Tasks in Chemical Technology	Markova, Nataliia Borysivna	Senior researcher of the department for “Chemical Technology of Inorganic Substances’, K and E	707-69-31 093193819	nmarkova@kpi.kharkov.ua
12	Improving the Technology of Organic Substances, and Foodstuff and Fuel Fossils Processing Technology	Litvinenko, Olena Anatoliievna	Associate Professor of the Department for “Fat Technology”	707-64-95 0679513752	elena.litvinenko14@gmail.com
13	Integrated Chemical Technologies in the Chemical Engineering and Ecology	Cherkashina, Ganna Mykolayivna	Associate Professor of the Department for “Plastic Mass and Biologically Active Polymer Technology”	707-61-86 0507608301	annikcherkashina@rambler.ru
14	Contemporary Technologies in the Education	Kukharenko, Volodymyr Mykolayovych	Professor of the Department for “Engineering Cryophysics”	707-66-13 0972747414	kukharenkovn@gmail.com
15	Using Computer Technologies to Solve Scientific and Social Problems in Medicine	Filatova, Ganna Yevgenivna	Doctoral Candidate at the Department for “Computer Science and Programming”	707-60-19 0505789779	filatova@gmail.com
16	Contemporary Technologies in Economics and Management	Larka, Liudmyla Sergiyivna	PhD in Economics, Associate Professor of the Department for “Economics and Marketing”	0984863051 707-65-26	ek.microcad@gmail.com
		Kolotiuk, Olena Ivanivna	Assistant lecturer of the Department for “Industrial Organization and Personnel Management”	0972742684 707-65-07	kolotuk555@gmail.com
17	Near-Earth Space Environment. Radio Physics and Ionosphere	Kotov, Dmytro Volodymyrovych	Junior researcher of the Research Institute for the Ionosphere”	707-67-58 0996191961 707-65-88	pulyayev@kpi.kharkov.ua
18	New Technologies for the Environmental Protection and Waste Disposal	Maksymenko, Olena Arkadiievna	Senior teacher of the Department for “Labor and Environment Protection”	707-64-65 95-42-96 0976647087	Maximenkooa@mail.ru

19	Contemporary Problems of the Humanities	Takhtaulova, Maria Yuriyivna	Postgraduate student of the Department for "Political History"	0639345352 710-03-83	takhtaulova@_mary@ukr.net
20	Social Systems Management and the Personnel Training	Gren, Larysa Mykolayivna	PhD in Pedagogy, Associate Professor of the Department for "Pedagogy. Psychology and Social Systems Management	707-60-42 0506135073	Lgren@mail.ua
21	Informatics and Simulation	Leonov, Sergiy Yuriyovych	Associate Professor of the Department for "Computer Science and Programming	707-61-98 0989110077	serleomail@gmail.com
22	Electromagnetic Immunity	Vavriv, Liudmyla Vladyslavivna	Chief researcher of the "Molniya" Institute	707-63-09 336-32-93 0672594381	vavriv@rambler.ru
23	Management, Investment and Innovation Processes in the Industry and Economy	Shevchenko, Maryna Mykolayivna	PhD in economics, Associate Professor of the Department for "Finances, Controlling and Foreign Economic Activities"	707-61-61 707-66-68 65-49-43 0975120790	maryna_sh@mail.ru
