

# Applicant Guide to HIRP OPEN 2017

Huawei Innovation Research Program (HIRP) provides funding opportunities to leading universities and research institutes conducting innovative research in communication technology, computer science, engineering, and related fields. HIRP seeks to identify and support world-class, full-time faculty members, sets up win-win collaboration and pursues technology innovation of mutual interest.

As a part of HIRP, HIRP OPEN is a 1-2 year award that supports contract-based innovation research with the amount ranging from USD 30,000 to USD 70,000. In some cases, larger awards may be possible for some especially proposals.

HIRP OPEN 2017 is coming now, and relevant subjects will be published on 15<sup>th</sup> May, 2017. Proposals for other innovative subjects are also welcome.

## JOIN US TO SHAPE THE INNOVATION

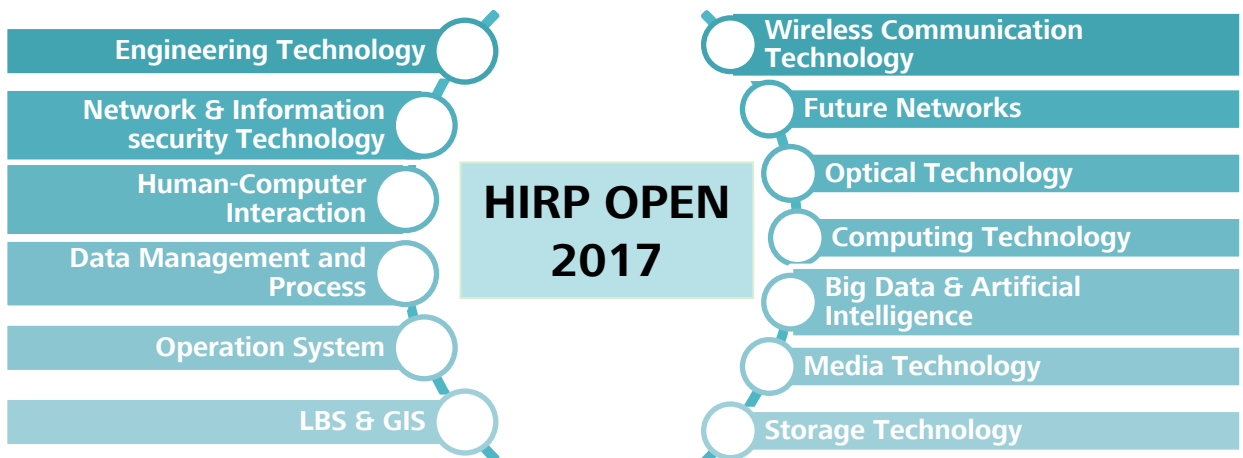

Each applicant must be a full-time faculty member (lecturer, assistant professor, associate professor or full professor) at a leading university or research institution that awards research degrees to PhD students around the world. We do not accept applications from professors on behalf of students, post-docs, or others not eligible to apply.

## HIRP OPEN 2017 Timeline

**Application Deadline: 09:00 AM, 16<sup>th</sup> June, 2017 (Beijing Standard Time, GMT +8)**

HIRP OPEN 2017 will include 140 research subjects involving 13 technical fields
