History of Science and Technology department

Head – Sklyar Volodymyr

- sklyar_vm@ukr.net; kafint@ukr.net

- Teaching of history of SciTech course began in 1994. In September, 2004 the first in Ukraine department of history of SciTech was created in NTU "Kharkov Polytechnic Institute". It is unique department in Ukraine till now.

- There is the postgraduate course for taking doctor's degree. In 2009-2011 and 2012-2015 the specialized Academic Council K 64.050.16 for defending theses functioned at the department.
- 16 candidate's dissertations (13 from them were defended by graduate students of the department) and 3 doctoral dissertations were defended for this time.

- Department staff has fruitful associations with relevant research and academic institutions in the history of science and technology:
- Institute of Scientific and Technological Potential and Science History named after H.M.Dobrov
- State Higher Educational Institution “Perejaslav-Khmelnysky State Pedagogical University”
- Centre of research in history of science and technology named after O.P.Borodin
- Institute of agricultural history of science, education and technology
- Centre of monuments of the National Academy of Sciences of Ukraine and Ukrainian Society for Protection of Historical and Cultural Monuments
- Centre of Ukrainian Studies

- Today investigations are conducted within the research theme “History of the development of scientifically - educational and industrial potential of Sloboda Ukraine at the end of XIX - at the beginning of XXI century”
- Among long-range researches: is history of development of engineering sciences and technical education in Kharkiv and in Europe.
- ethnolinguistic processes in eastern and central Europe in XX - at the beginning of XXI century
